

LITTLE ST. GERMAIN LAKE DISTRICT INFORMATIONAL MEETING REMINDER

The second of two public informational meetings to discuss **Barr Engineering's study findings regarding use of alum to reduce algal blooms in Little St. Germain Lake** will be held as follows:

**Meeting #2: Saturday, July 5, 9:00a.m.
St. Germain Community Center (Town Board meeting room)**

The results of several meetings between the WDNR, Barr Engineering, USGS and the lake district and an adjusted time-line for the lake district to possibly move forward with an alum treatment will be discussed in detail. The meeting will start promptly at 9:00 and should conclude by 10:30 or earlier.

See Barr's report at
