

Attention Little St. Germain Lake District Property Owners:

Please feel welcome to sign up for The Lake Connection, a publication of the Wisconsin Association of Lakes. It is now available in electronic format that will come directly to your e-mail inbox. Follow the link below and reference "Little St. Germain Lake District" as your lake organization. There will be no subscription cost to you.

Ted Ritter

Chairman, Board of Directors
Little St. Germain Lake P&R District

The following message is from Tammi Jackson, Communications Director, WAL

Have you Gone Green yet?

Help us save some paper and make your membership dollars go farther by getting The Lake Connection delivered to your e-mail address as a downloadable PDF file.

Signing up is simple, just e-mail publications@wisconsinlakes.org.

To ensure electronic delivery of the summer issue, please reply back by **August 14th, 2009**.

Just like other non-profit organizations, the Wisconsin Association of Lakes has been challenged by the current economy. By participating in our electronic delivery program you will help our organization increase its efficiency and remain nimble as we focus on effectively advocating for Wisconsin's 15,000 lakes.

Attention Lake Group members!

Extend the Lake Connection to all your group's members!

Is your lake association or lake district a member of the Wisconsin Association of Lakes?

Want all of your members to receive The Lake Connection electronically?

If so, we are excited to extend electronic delivery of The Lake Connection to all contacts of our member lake groups!

Send full contact information for your members--name, address, city, state, zip, and of course e-mail address--to publications@wisconsinlakes.org. Be sure to include the name of your lake group on your list!

Tami Jackson
Wisconsin Association of Lakes
Communications Director
